PLEASE NOTE: TRAVEL INSURANCE IS NOT HEALTH INSURANCE! READ THE CONTRACTUAL CONDITIONS CAREFULLY, NOTING YOUR RIGHTS AND OBLIGATIONS, AS WELL AS THE LIMIT OF THE INSURED CAPITAL CONTRACTED FOR EACH COVERAGE.

Travel Insurance Ticket

This document is a complement to the attached Insurance Ticket

1. OBJECTIVE

The purpose of this insurance is to guarantee the insured or his/her beneficiaries, during the previously determined travel period, the payment of an indemnity, limited to the contracted insured capital, in the form of payment of the contracted amount or reimbursement, or even the provision of services, in the event of the occurrence of risks foreseen and covered by the coverage contracted and indicated in the Insurance Ticket, **as long as the event does not qualify as "excluded risks" or "not covered" by current legislation.**

2. EXCLUDED RISKS

The following are excluded from the concept of "personal accident": Diseases, including occupational diseases, whatever their causes, even if caused, triggered or aggravated, directly or indirectly by accident, except for infections, septicemic states and embolisms, resulting from visible injury caused as a result of a covered accident; Complications or complications resulting from examinations, clinical or surgical treatments, when not resulting from a covered accident; Injuries resulting from, dependent on, predisposed to or facilitated by repetitive strain or cumulative micro traumas, or that have a cause and effect relationship with them, as well as injuries classified as: Repetitive Strain Injury – RSI, Work-Related Musculoskeletal Diseases – WMSD, Injury by Continuous or Continuous Trauma – LTC, or similar that may be accepted by the medical-scientific class, as well as its post-treatment consequences, including surgical, at any time; Situations recognized by official social security institutions or similar, such as "accident disability", in which the event causing the injury does not fully fit into the characterization of disability due to personal accident.
Unless otherwise stipulated expressly in the general conditions of this insurance ticket, the following are excluded from this insurance contract: The beneficiary is not entitled to the stipulated capital when the insured commits suicide in the first two years of the initial term of the contract, or its renewal after it has been suspended, in accordance with article 798 of the Civil Code and counting: the beginning of the individual validity of the insurance; or the request for an increase in the insured capital made exclusively by the insured. In this case, the exclusion only applies to the difference in the increased insured capital; Use of nuclear material for any purpose, including caused or unprovoked nuclear explosion, as well as radioactive contamination or exposure to nuclear or ionizing radiation; Acts of hostility or war, invasion, act of foreign enemy, civil or military military operations, revolution, terrorism, nationalization, subversion, conspiracy, rebellion, insurrection, confiscation, agitation, revolt, sedition, uprising, riots, riots, strikes, lockouts or other disturbances of public order and arising therefrom, except for the performance of military service or acts of humanity in aid of others; Intentional unlawful acts committed by the insured, the beneficiary or the legal representative of one or the other; Intentional unlawful acts committed by controlling partners, directors and legal administrators, employees of the insured, by the beneficiary and their respective representatives, in the case of insurance contracted by a legal entity; Epidemics, pandemics and/or avian influenza declared by a competent body; Poisoning by absorption of toxic substance, except accidental escape of gases and vapours; An act that is known to be dangerous and that is not motivated by justified necessity and the practice, by the insured, of unlawful acts or acts contrary to the law, except if resulting from the use of a riskier means of transport, the provision of military service, the practice of sports, or acts of humanity in aid of others; Events in which the insured has intentionally attempted against the life and physical integrity of others, whether consummated or not, except in the case of self-defense or assistance to the person in danger; Volcanic eruption, flood and flooding of any kind, windstorm, hurricane, cyclone, tornado and hail or any other convulsion of nature; Losses and damages caused directly or indirectly by a terrorist act or related to a terrorist act, and it is the responsibility of the insurer to prove it with appropriate documentation, accompanied by a detailed report that characterizes the nature of the attack, regardless of its purpose, and provided that it has been duly recognized as an attack on public order by the competent public authority, notwithstanding what the contractual conditions of this insurance may provide otherwise; Voluntary and premeditated mutilation or attempted mutilation, except in cases of suicide or attempted suicide; Treatments and procedures related to morbid obesity including reduction gastroplasty, congenital diseases, sterilization, fertilization and sex change and their consequences, even when caused by accident; anaphylactic shock and its consequences, cardiovascular accidents, aneurysm, syncope, apoplexy, medical and similar accidents, and epilepsy, when not resulting from a covered accident; Organ or tissue donations or transplants; Abortion, except when resulting from a personal accident; Any type of hernia and its consequences, except when resulting from a personal accident; Tooth loss and cosmetic damage; Procedures not provided for in the Brazilian Code of Medical Ethics and those not recognized by the National Inspection Service of Medicine and Pharmacy; Events caused exclusively by the insured's failure to use safety equipment required by law; Events caused exclusively by the insured's lack of license to drive a motor vehicle; Illegal competition events in aircraft, boats and motor vehicles, including preparatory training. This exclusion cannot be applied to cases in which the insured is engaged in the practice of sports; Travel on aircraft or vessels: That do not have authorization in force from the competent authorities for flight or navigation; Driven by pilots who are not legally licensed; Who, being military officers, are not performing military service.
In addition to the excluded risks presented in the concept of personal accident and the clause – "Excluded Risks" of the General Conditions, the following are also excluded: Exclusively for Coverage of Medical, Hospital and/or Dental Expenses in National or International Travel (DMHO-VN and DMHO-VI) – Convalescence States (after medical discharge) and the expenses of companions; Appliances that refer to orthoses of any nature and prostheses, except for prostheses due to the loss of natural tooth(s) resulting from a covered personal accident; Replacement of lenses, glasses, orthodontic appliances, etc.; Intra-articular knee injuries; Injuries or illnesses that do not require medical attention; Understanding nervous syndromes; Pathological fractures; Back pain, radiculopathies, sciatica and other neuritis, all chronic when they do not generate an emergency or urgent clinical picture; Enthesopathy; Sprains, strains, contusions and shoulder dislocation, all chronic when they do not generate an emergency or urgent clinical picture; Mental and psychiatric illnesses. **Exclusively for Supplemental Baggage (BC) and Supplemental Baggage (BS) Coverages** – Confiscation or seizure by customs or other government authority; Normal depreciation and deterioration of objects; Precious metals and their alloys, whether worked or not, jewellery, natural or synthetic skins, paintings and any works of art, costume jewellery of any kind, watches and securities; Any kind of animals; Objects that the insured carries with him or in hand luggage, whose custody is under his responsibility, including among other goods: clothes, watches, pens, key chains, personal objects, glasses, cine, photo and optical equipment, sound and video equipment; Act as an operator or crew member on the means of transport that gave rise to the event; The event in which the insured does not notify the carrier, by filling out the Property Irregularity Report (PIR), before leaving the place of disembarkation; The event in which the insured does not take the necessary measures to safeguard or recover the lost baggage; Physical damage caused to checked goods during travel.

order; Cases in which it is a requirement of immigration, the lack of an entry visa in the country of destination, which must have been issued prior to the occurrence of the event that gave rise to the cancellation; Where the cancellation is a result of a cancelled charter flight; Pre-existing conditions.

3. PRIZE

The premium paid to the Insurance Representative is deemed to be made by the Insurer. Failure to pay the first installment by the due date will result in the cancellation of the policy. The payment of the insurance premium in installments will not imply its full discharge, if all installments have not been paid. If the claim occurs within the deadline for payment of the cash premium, without payment having been made, the right to compensation will not be impaired.

4. RIGHT OF WITHDRAWAL

The Insured may withdraw from the contracted insurance, provided that it is prior to the trip, within 7 (seven) calendar days from the date of issuance of the Ticket or the effective payment of the premium, whichever occurs later. If the Insured exercises the right of withdrawal, any amounts paid, for any reason, during the period referred to in the item, will be returned immediately. The Insured may exercise his/her right of withdrawal by the same means used for contracting, without prejudice to other means made available.

5. CLAIMS

As long as the Insured chooses to provide the service, without the need to disburse the amount, the Insured himself, the beneficiary or their representative must contact Whatsapp's Insured Assistance Service Center number (+18632014897), which may be through a collect call, and inform the Insured's Full Name, CPF or Proposal number; Location and telephone number of where you are; The problem, the type of information or help needed. If the option is not to provide services, the claim must be reported immediately by the Insured, Beneficiary(ies) or their Representative and the documentation addressed to the Insurer to the attention of the Claims Department or through the Call Center, as soon as it becomes known. Then, you must send the following basic documents to the Insurer, in addition to the documents requested in the Special Conditions for each coverage, if any:
